

Conception D Un Systeme Manufacturier Flexible a Base Multi-Agents (Paperback)

By Gharbi Atef, Elgharbi Amel

Univ Europeenne, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.La conception d un systeme manufacturier flexible a base d agents (SimMAV) met en jeu un ensemble d agents representant les machines, les vehicules autoguides et les produits, cooperant ensemble dans le but de simuler le fonctionnement du systeme et tester l efficacite de la production. Pour l ordonnancement des differents produits, deux methodes ont ete appliquees: une methode exacte (procedure de separation et evaluation) et des methodes approchees (le recuit simule, la recherche tabou et l algorithme genetique). Des etudes comparatives ont ete menees entre les differents algorithmes d ordonnancement developpes afin de distinguer le plus performant tout en utilisant le simulateur SimMAV.

Reviews

This publication is wonderful. I could comprehend every thing out of this published e publication. You can expect to like the way the blogger write this publication.

-- *Eliseo Rippin*

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
