Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

INVASIVE: A NOVEL (PAPERBACK)

HarperCollins Publishers Inc, United States, 2017. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Think Thomas Harris Will Graham and Clarice Starling rolled into one and pitched on the knife s edge of a scenario that makes Jurassic Park look like a carnival ride. - Kirkus Reviews (starred review)On an isolated island in the middle of the Pacific, a team of scientists is employed by a charismatic billionaire hoping to change the world through cutting-edge research.In a small cabin on a remote lake in the middle of the Adirondacks, FBI futurist Hannah Stander confronts a barely recognizable human body-one skinned alive by thousands of genetically engineered ants.Hannah s investigation ultimately leads her to Kohole Atoll. Though the team there vehemently denies any connection to the body, the more Hannah studies the group, the more she suspects their work has sinister applications. And the more it looks like no one is getting off the island alive. Fans of Michael Crichton will feel right at home. -Publishers Weekly.
