*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*

## THE TOUR DE FRANCE . TO THE BITTER END

Guardian Books. Paperback. Book Condition: new. BRAND NEW, The Tour De France . to the Bitter End, Richard Nelsson, William Fotheringham, Having started in 1903 as a publicity stunt for an ailing French newspaper, the Tour de France is now the world's greatest sporting spectacle. Back then, cyclists raced alone through the night, sometimes at the risk of being beaten up. Today's riders pedal 3,500 km around the French countryside, cheered on by huge roadside crowds and accompanied by the mighty caravan of media, sponsors and support staff that keeps the wheels turning. But one thing hasn't changed: the Tour remains just as awe-inspiring a test of extreme mental and physical stamina as it has always been. "The Tour de France. to the Bitter End" is the best of over a century of "Guardian" and "Observer" Tour reporting, with pieces from Christopher Brasher, Michael Davie, Geoffrey Nicholson, William Fotheringham, Richard Williams, Phil Liggett and many other writers seduced by the power of the peloton.
