Enthusiast Books, 2016. Paperback. Condition: New. Language: English . Brand New Book. Join author Wyss as he takes you behind-the-scenes on missions with barn finders the world over. Author Wyss, well known for books on Cobras, Ferraris, Corvettes, etc. focuses on selecting only the most eye-opening, jaw-dropping, eyebrow-raising stories regardless of marque because, as he says: I m here to tell the story of The Hunt. Here are just a few of the can-you-believe-it? stories: -a genuine big block Cobra stolen and dumped in the Erie Canal after a fatal accident -a mailman in France buys a Ferrari that he can t afford. He reluctantly sells it and today it s worth over \$38 million dollars! -a purebred F1 Ferrari single-seater is rebodied by some New Zealanders into a wanna-be 250GTO. -a Porsche factory 356 four cam race car--one of only two built--is being piloted through Paris when the engine blows. The owner sells it in exchange for a \$200 plane ticket back to Portugal! Movie stars and celebrities get their share of ink too, with stories on Diana Dors delicious Delahaye, Elvis Presley s BMW 507 and Steve McQueen s Ferrari NART Spyder. Plus, there are stories of cars Wyss says could still be out there. million dollar cars such as the pair of lightweight 1957 Mercedes 300SLS roadsters raced by Paul O Shea; James Dean s white pre-A Porsche 356 Speedster or the Corvette XP700 dream car. This isn t a pretty, picture book. It is much more. It is an entertaining education into the world of big-money car collecting. And, when talking about million dollar+ cars, you need some education.
