Wisdom of the Ancient Seers : Mantras of the Rig Veda

By David Frawley

Motilal, 2016. Hardcover. Condition: New. 3rd Edition. This book reviews the astronomical references in the Vedas and describes the geography of Sapta Saindhava, the original home of the Indo-Aryans. This region lay roughly between the Indus and the Ganga rivers, although the periphery of the Aryan world stretched all the way to the steppes of Central Asia, to the Caspian sea and the Oxus river. The Rigvedic hymns were composed mostly on the banks of Sarasvati and its tributary Drishadvati in the Aryan heartland called Brahmagavarta. Frawley has now written a series of books on different aspects of Vedic civilization. He is always equipoised and rational; his books are very useful guides to understand the variegated complexity and yet the fundamental unity of Indian civilization. In view of the fact that the Vedic or Indo-European heritage lies at the basis of contemporary European and American as well as Far Eastern civilizations, these books are of universal relevance. Frawley's deep knowledge of the various aspects of Vedic society gives him the ability to walk that narrow path of fidelity to the original where one is not using later categories to interpose imagined meanings. Frawley has made the Rig Veda accessible...

Reviews

It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
