

Buddhist Aesthetics And Ethics

By H Prasad

M D Publications, New Delhi, 2011. Soft cover. Book Condition: New. Aesthetics is a branch of philosophy dealing with what is beauty. It studies the qualities of nature of the beautiful and makes judgments concerning beauty. The primary aesthetic concept at the heart of Buddhist culture is the aspiration of leading a holy life. In Buddhism, beauty is not for beauty's sake. It has been viewed as an incentive for those who aspire to the holy life. Buddhist concept of aesthetic is a beauty of things imperfect, impermanent, and incomplete. According to Buddhism, the cultivation of the right attitude to aesthetic is very important. Ethics in Buddhism are traditionally based on what Buddhists view as the enlightened perspective of the Buddha, or other enlightened beings that followed him. Moral instructions are included in Buddhist scriptures or handed down through tradition. Most scholars of Buddhist ethics thus rely on the examination of Buddhist scriptures, and the use of anthropological evidence from traditional Buddhist societies, to justify claims about the nature of Buddhist ethics. Page Extent: 300.

Reviews

It is one of the most popular ebooks. I have studied it and I am certain that I am going to likely read it again and again in the future. I am happy to inform you that this is actually the greatest ebook I have studied in my very own life and might be the best ebook for possibly.

-- Alison Stanton

This written publication is wonderful. It is really fascinating through the reading period. I discovered this book from my dad and I suggested this publication to find out.
