Hollander who stuffed his finger into the hole of a dike, and remaining in that position all the long night, saved his country from destruction by flood. This is fortitude. 6. Self-reliance may have drawbacks. Carefully point out that such a result is only the consequence of the undue growth of self-reliance, just as we some times see tall people grown weakly--the strength is entirely outgrown. The teacher may also say that to point out such drawbacks ought to be to remove them. If the word egotism be used with an advanced class, explain it to mean expressing too high an opinion of self. 7. In the lessons of life, every person has two educations--one which he receives from others, and one, more important, which he gives himself. Illustrate the point by the helpfulness of advanced scholars, who can be set to teach themselves, whereas younger pupils require constant supervision. This selfculture may be depicted as a noble employment of mature life. Self-reliance may be said (1) to remove envy of the accomplishments of others; (2) to obviate copying and cribbing of school work; (3) to make one capable of giving a genuine verdict. 8. In the formation of character, self-reliance (1) inspires confidence; (2) overcomes shyness; (3) begets hopefulness; (4) induces perseverance; (5) gives courage; (6) fosters endurance. Its opposite--helplessness--may be illustrated by the case of the daughter of a wealthy and indulgent man. Suppose that she has never been taught to do useful work,...
