Death To The Starving Artist outlines a comprehensive marketing model for ambitious artists who are ready to reach a wider audience and turn their art hobby into an art career. Each year, art schools across the country spit countless artists into society who have been trained well at their craft but lack the tactical, strategic knowledge necessary to turn their craft into a sustainable business. Too many artists accept the flawed maxim that art and commerce don't mix. They adopt the antiquated starving artist paradigm, which is a lie that only perpetuates self-limiting beliefs. Contemporary pop artist and marketing expert Nikolas Allen aims to kill this outmoded paradigm once and for all. With Death To The Starving Artist, Allen guides readers through his proprietary model of using the Right Tools to reach the Right Audience with the Right Message. This book teaches artists how to talk about themselves and their work in a compelling way that intrigues their target audience. It outlines myriad exhibition opportunities and helps artists target the appropriate venues for their career goals. It explains the extensive tools available both online and offline that will help artists build their brand and grow their business. Author Nikolas Allen is a life-long artist. He knows the unique challenges artists face, yet he refuses to coddle fragile egos. The book is jam packed with strategic, practical knowledge, tips, stories, examples and insights written in a fresh, bold voice full of humor, experience and tough love. With Death To The Starving Artist - Art Marketing Strategies for a Killer Creative Career, Nikolas Allen aims to educate, encourage and inspire ambitious artists with ideas, insights, and resources that will empower...
