Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, Just Draw It!: The Dynamic Drawing Course for Anyone with a Pencil & Paper, Sam Piyasena, Beverly Philip, The drawing course that sets free your creativity Aimed at anyone who would like to be able to pick up a pencil and just draw, this book provides a foolproof way to pick up the skills - and most importantly the confidence - to sketch and experiment without the hang-ups and inhibitions that can all too often get in the way of our creativity. Just Draw It! is suitable for anyone, from self-styled artistic no-hopers to aspiring artists who want to get new ideas and skills. It is organized as a series of exercises, all of which will provide you with essential practice for your brain, eye, and hand - from trying out rapid-fire sketches of moving objects, to detailed observation of tones and contrast, to capturing the mood of a scene, or looking at its structure through the formal rules of perspective. The result is a deceptively powerful drawing course that does not feel like a course, designed to conquer your inhibitions and develop a love of drawing and sketching that lasts a lifetime.
