Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The true story of a 100 mechanical Forex* trading system that returned over 1000 inside 13 months taking a starting bank of 10,000 GBP to over 100,000 GBP The title of the book is a bold one. To be the ultimate Holy Grail trading system it would have the ability to automatically trade and have zero discretion. In short, a 100 mechanical system in which the person trading with it does not matter, the result will be the same. It would be a currency trading system that does not care if you are having a bad day, are on holiday or if you have had an argument with your partner in the last hour. The entries, exits, trailing stops and money management must have no user input whatsoever. All the user has to do is switch it on and wait. The forum boards of the internet are full of people searching for this ultimate trading system. Thousands of traders every day search, test and simulate for hours looking for this golden egg laying goose. Most believe that it does not exist nor ever has. This book is here to prove to you that such a system did exist and was discovered by a few home based traders just like you. It can be found again. Here is my question to you. What would you really do if you found such a system? One that worked month after month? One that proved itself not just for weeks or months, but for years How much would you risk? How would you trade it? How would your emotions handle such a guaranteed system? Well, Not only does this trading book tell the story of how the...
