

Hockey For Parents (Paperback)

By Mark James

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A review of hockey parents indicates an increasing number of parents who have not grown up with the game or have not played as children. The goal of this book was to create a simple hockey reference book targeted to these hockey parents, to better inform them of the strategies and basics of playing hockey. Parents offering instructions to their children, with the best of intentions, without a basic understanding of the fundamentals of the game, may be leading our young players astray. Hockey is a game of structure similar to chess. It requires the players to understand the basic systems of the game, and then to read and react to the opponents moves. Thinking ahead and interpreting the play can only be developed with a strong understanding of the game. As a lot of parents get involved with hockey to volunteer and to be with their children, I decided to write a book to aid this understanding and to act as a handy reference. For the parents who have questions and are uncomfortable asking them, this book will hopefully answer some of...

Reviews

A new electronic book with an all new standpoint. It usually fails to charge too much. Its been printed in an exceedingly basic way in fact it is simply following i finished reading this book through which basically altered me, affect the way in my opinion.

-- Dr. Amie Bogisich

A fresh e book with a new viewpoint. It is among the most awesome ebook we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
