Selecting Your College Your Degree Planning your higher education is the most important thing you will do for your future. When it comes to your education if you don t know where you are going, sadly, you are already there. If you thought that planning your or your child s education was something to do in the last six months of their senior year in high school, think again. Every fall thousands of students set in motion a game plan that began years before. There are only so many schools available and the time to begin planning is the early years of high school. That s right, you need to begin the game plan for your child s higher education during their freshman or sophomore year of high school. If you don t, you will end up having to settle for a solution rather than the course you have really chosen. Fortunately, there is a tool to help you accomplish just that. Selecting Your College Your Degree answers the burning questions for parents and young adults. In fact, you...
