OUR PARTNERSHIP WITH CHINA: EXECUTIVE INTELLIGENCE REVIEW; VOLUME 44, ISSUE 40 (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Oct. 1-The intelligence warfare being waged by British imperial forces against the integration of the United States, China and Russia into a single World Land-Bridge as a new economic platform is currently being flanked by Lyndon LaRouche and his co-thinkers on the culture front. Now that the attack on the Presidency by the FBI has been accurately placed in its proper context by the LaRouche dossier on Robert Mueller, a new front is being opened up in the war to bring the United States into the World Land-Bridge as a partner with those two continental nations, thus thwarting the danger of thermonuclear war. Following the release last week of the Open Letter to President Donald Trump in Defense of Columbus by Liliana Gorini, leader of the Movisol organization in Italy, American artists, political figures, historians, and citizens have begun an animated reinvestigation of the origins and purpose of the voyages of Christopher Columbus. Through new and newly reconsidered historical documents, the Columbian expeditions are being re-situated in the context of the alliance that is now possible among Presidents Trump, Putin and Xi Jinping. Addressing a New York City meeting on September 30, Helga Zepp-LaRouche, founder of the Schiller Institute, and known for more than twenty years as the Silk Road Lady because of her tireless campaigning for the economic policy now known as the World Land-Bridge, said: Some of you may remember that a couple of months ago, at a meeting in New York at which the Chinese Ambassador in Washington, Cui Tiankai, gave a presentation, he said that there were sixteen examples in history in which a country surpassed the then dominant power: that in twelve cases it led to...
