SACRAMENTOS GREENHAVENPOCKET AREA (CA) (IMAGES OF AMERICA)

Arcadia Publishing. Paperback. Book Condition: New. Paperback. 128 pages. The GreenhavenPocket community is located just southwest of downtown Sacramento. Geographically, its unique location is within a meandering bend of the Sacramento River, thus termed the Pocket because it is bounded by the Sacramento River to the north, west, and south. Captured here in over 180 vintage images are the sorrows and triumphs of the areas earliest settlers, encompassing the continents of the world and spanning over a century. The GreenhavenPocket area was a rural farming community for 110 years before suburban development, with the most significant group of people contributing to the areas history and identity being Portuguese immigrants from the Azores Islands of Faial, Pico, Sao Jorge, and Terceira. They began arriving a few years after the Gold Rush and by 1880, almost half of the Portuguese population in Sacramento County was within these townships that encompassed and surrounded the RiversidePocket area. Pictured here is the evolution of this thriving community, from the earliest founding families and their sprawling ranches, to the Japanese settlement of World War I, and finally to the innovative Greenhaven 70 plan development in the 1960s that laid the foundation for todays community. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
