By Stacy Zeiger

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Even though it may look easy at times, being a child is no walk in the park. Children must learn to navigate a complicated world, interact with multiple personalities and learn where they fit in to the whole scheme of things. As children face obstacles and begin to figure out the world around them, there is one trait that is guaranteed to help them do it successfully: confidence. As a parent, you have the power to make or break your child's confidence. From day one, your child looks to you for support, guidance and a general sense of self-worth. You play a powerful role in showing your child how to handle challenges, interact with the world around him and how to take pride in himself and his accomplishments. Because of the role you play, you must constantly be aware of your actions toward your child and how you teach your child to look at life.
