It is my sincere hope that readers will relate to many of the stories in God Messaging. . . Will You Accept His Friend Request I pray that you will be inspired to keep plugging along - and perhaps even soar - on your own spiritual journey. I tell stories of angels in disguise and prayers miraculously answered. I recount some of the trials in my life such as infertility and unemployment - and tell how God, turned my trials into testimonies of Divine Providence. I speak of my experience as an abuse survivor, and how Jesus and forgiveness saved my life - and even more importantly -my sanity. My experience of God has been one of a very loving, and involved Father. I believe that He often speaks to us though other people, through nature, through events, through His Word and through the sacraments. He invites us to a close, profound relationship with Him. His is a love that sets us free! This item ships from La Vergne, TN. Paperback.
