Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

Dorrance Publishing Co., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Steam: The Perfect Fluid for Heating and Some of the Problems by Jacob (Jake) Myron Steam heating systems come in many varieties and sizes. Steam systems need regular maintenance, or small problems will occur. When the small problems are not addressed, they will cause other small problems to arise. A large steam heating system with scores of small problems will not heat properly and fuel consumption can increase dramatically, but worst of all, the banging in these systems, as my mentor would say, is like the hammers of hell. Jacob (Jake) Myron wrote this book as an easy-to-understand self-help guide for those in the occupation dealing with steam systems. He feels a huge gratitude to this industry, and he shares his over forty years of successful experience in this book to give something back to his beloved profession and colleagues. About the Author Jacob (Jake) Myron s knowledge and expertise in plumbing, heating, water storage systems, underground piping that included water for domestic use, fire suppression, fuel gas, oil tanks and associated piping, waste water, storm water, sewage systems, underground steam and hot water for heating as well as all the associated piping in the low rise and high rise buildings to 40 stories. Jake s education and experience began in the United States Navy and the New York City Housing Authority. Jake began his 26-year career in the housing authority as a plumbers helper, earned his New York City Master Plumbers License. Jake retired as the plumbing section supervisor with a staff of 12 Plumbing supervisors and more than 150 plumbers and helpers serving more than 250,000 tenants in the five Boroughs of New York City. He wrote and had...
