Dog Ear Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The product of 35 years of research, **THE SECOND HOLOCAUST** is an authoritative exploration into the US government's experiments in viral weaponry. It is not for the faint of heart. Editors and professional writers who have previewed it have said it is the scariest, most intriguing, book they have ever read. One author found it so compelling that he read the entire work in one sitting, because, like a catastrophic train wreck, he just could not look away. Meiers first encountered this story in California's Silicon Valley in the late 1970s as the CEO of a high tech solar energy corporation on the cutting edge of a new technology who found himself under assault by a large group of people who were all cut from the same cloth. There were Israeli nationals, a very attractive young woman who had recently graduated from the University of Moscow, but most were US citizens, all of whom had high government security clearances for their work with spy satellites. Meiers objected to their sneaky, surreptitious intrusion into his personal life, but since he had nothing to hide, rather than outwardly object, he succumbed and investigated them as they investigated him. What he discovered was the CIA illegally operating on US soil as well as one of their agents, the Reverend Jim Jones. After the Jonestown massacre, Meiers thought he was the only person in the world who believed the CIA had killed 900 Americans and a US congressman, until he met Joe Holsinger; Congressman Ryan's attorney and long time friend. When he sat down for a meeting with Holsinger in his Foster City home, a year had passed since Jonestown and people...
