RELUCTANT GODS IV - AYSEL - THE PREQUEL

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.By readers requests comes Reluctant Gods IV - Aysel - The Prequel. As in the Star Wars movie experience, the Reluctant Gods series can be experienced in any order. This fourth book of the series is the prequel to Reluctant Gods I and takes place decades before Sevilen is ever born. Readers wanted to know how Aysel, Sevilen s great grandmother and mentor, became who she was in books one, two, and three. What shaped Aysel to become the highly evolved, very unique, sensual, powerful, and sometimes whacky creature in all the other books in the series? Follow Aysel from the 1920s, when she is introduced to the world of immortal gods on this earth, to when she brings Sevilen into her family of gods and passes on her Designated One status along with her fortunes. Learn with her about the effect of changing others life paths with magic, and how to avoid the deadly results by using the Akashic records. Meet Varick Engel, the man who raised her, and learn why he raised her as he did; sheltered and away from society. See how Tristan, who is Satan, and his consort Lillith, the archangels Michael, Raphael, Gabriel, and Auriel, the diligent and ever caring family assistant Alexander, and Aysel s carefree girlfriend Emily become Aysel s best friends and ultimately, her family. See why Aysel, as Sevilen s great grandmother, can guiltlessly make passes at Sevilen throughout the series, as if she really were just another woman in her twenties, and not his one hundred and six year old great grandmother. Learn what family really means for immortal gods, archangels, devils, and demons. Experience...
