Skyhorse Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Sex, love, and forgiveness--can they coexist, and can romance author Sarah write them into her life? Although bestselling author Sarah O Malley is sure her next erotic-romance novel will be another hit, she finds it near to impossible to replicate the same results in her personal life. At forty-five years old, Sarah now finds herself divorced and a single mother of two. Sarah journeys back to her childhood home to nurse her mother who is suffering from Alzheimer s, and she inevitably encounters the ghosts of her past--the death of a child, its devastating effect on family relations, youthful sexual exploration, and an unplanned pregnancy. However, the haunts of the past open up a whole new world to Sarah as she learns to forgive the traumas that had happened before. Amid a great awakening, Sarah also comes to terms with being a sexually active middle-aged woman, and begins to accept sex again, even in the most inappropriate but titillating circumstances. As she unlocks her own physical desires, she also stumbles upon a heavy secret that her mother had been hiding from her for the past fifty years. This trip might prove to be a better story than anything Sarah could have possibly hoped to write.
