

Digital Watermarking: A QuickStart Guide (Paperback)

By Gerard Blokdik

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do the Digital watermarking decisions we make today help people and the planet tomorrow? Are assumptions made in Digital watermarking stated explicitly? When a Digital watermarking manager recognizes a problem, what options are available? What is Effective Digital watermarking? Is a fully trained team formed, supported, and committed to work on the Digital watermarking improvements? Defining, designing, creating, and implementing a process to solve a business challenge or meet a business objective is the most valuable role. In EVERY company, organization and department. Unless you are talking a one-time, single-use project within a business, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, What are we really trying to accomplish here? And is there a different way to look at it? For more than twenty years, The Art of Service s Self-Assessments empower people who can do just that - whether...
