Balboa Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Safe and Effective Natural Therapies to Support You Through Cancer Treatment is an essential resource for anyone going through medical treatment for cancer. It outlines which natural therapies are helpful in reducing the side effects of surgery, chemotherapy, radiation therapy and hormone therapy. Many people diagnosed with cancer use some form of natural therapy. However, most of them are uncertain why a particular remedy is used, how much they should take, how often they should use it, and whether it is compatible with medical treatment. Naturopathic and medical treatments can be an ideal combination. Medical treatment focuses on treating the cancer, and natural therapies enhance the recovery process by alleviating side effects and strengthening the mind and body. The natural remedies discussed in this book are gentle and easy to administer. They are a valuable support for cancer patients during and after medical treatments.
