The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

21 DAYS WITH DAD: MY 25-DAY ADVENTURE TO ALL FOUR CORNERS OF THE UNITED STATES

America Star Books, United States, 2007. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Last summer my Dad and I rode our motorcycles to all four corners of the United States. This is the story of our trip. After Mom passed away, I became aware of the limit that time places on all relationships. Growing up, Dad and I were never close. Conscious of the time I may or may not have left with him and hoping for a better relationship, I decided to take this trip with Dad. We began the trip working and riding together. The friction between us grew, eventually coming to a breaking point. When Dad forced me to choose between him and my wife, I left him lying in a motel bed and rode 2800 miles to home, by myself. If you've ever wrestled with a thorny relationship you'll identify with my hopes and my challenges. This is a trip that calls to your adventurous side! And you'll enjoy seeing the United States through the unique perspective of a motorcycle rider. I battle the weather while I approach the limits of my bike, my body, my mind and my faith. Take the journey with me!].
