## MEANDERING SCRIBBLES OF AN OLD FART

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 316 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. People need to look at their government. I have written articles for over 20 years; from the first Bush to Obama. We have problems we need to face and quit sticking our head in the sand. Its okay to be a liberal or a conservative, but neither exists in our government today. Our politicians do everything but what they were elected to do: Represent the People. If you are open minded you will enjoy this. If youve only voted one party all of your life then dont download this book. Stop to look at what our politicians are doing today. If you are an open minded Christian you might enjoy this. And if you are you must admit God is probably not too happy. Atheists are offended. Everyone should be offended that they are offended. When talking about being Christian in the military becomes an act of treason, then we have bigger problems. America has spent so much time protecting each individuals rights that no one has any rights. Throughout history every great empire has collapsed; there have been no exceptions. To all the military living and dead who served the United States of America, with honor and sacrifice for freedom and their country, may the actions of Congress and our Presidents not make their dedication in to God and country in vain. WARNING! This is for mature audiences so if youre a Democrat or Republican who always voted the same ticket, this is not for you, because it means you are incapable of thinking on your own, so Id rather you not buy it. If you are a frustrated American upset with the current administrations then you may find...
