Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the past six years the Lord has sent my family on a journey that has tested our faith. This test could have caused us to shrink back to destruction or it could have done what it has done, and that is confirm to us that our God is enough. The truth is that faith that has never been tested is not faith at all. When we turn through the pages of Scripture we see over and over again how life tests whether or not we truly believe the Word of God. In this book we will dig into the life of Abraham and see how he walked with God through the trials of his life and held on to hope in the promise of God. We will, through our time in the Word, end this six lesson study stronger in our faith than we were when we began it.
