When I get the to do funding, I want that on some of the mechanical parts. We are working to if to see Kapton wire, which is the aerospace standard wiring, we improve can that issue. try to NASA has taken the lead among government agencies to expand the so-called GIDEP, the Government Industry Data Exchange cover to Program, things more parts. There are a lot of-I go on and on this can with just EEE than list. Now, a few words concerning our immediate problems. You have heard Dr. Lenoir describe the status of the space shuttle hydrogen leak. We do not know or whether we have a very subtle hardware quality issue, a very subtle to It engineering issue. is obviously not trace down, since we have had easy literally hundreds of people working the issue. all are why We very concerned we have this particular situation at this time. an We are proceeding in order1 fashion and will insure the safety of the space d t y shuttle. We will enhance the of the space shuttle and its overall reliability at the same time. Now, in respect to the Hubble telescope, you are probably aware that I am a Dr. member of Allens review chartered to isolate the cause of the team is that present problem. I particularly wanted to a member this team, the events be as of in question all occurred before my tenure with NASA. 1 wanted to firsthand see what lessons...
