## JESUS IS A REPUBLICAN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book was written specifically for Evangelical born-again Christians and those who identify with the Tea Party political movement. Anyone else reading this book may find it offensive. Jesus Is A Republican is a picture book for both adults and children. For adults, it reinforces conservative political convictions, and for children it instills conservative values with passages from the Bible accompanied by explanations, along with full-color illustrations. Jesus Is A Republican is a picture book that plainly and objectively explains the conservative teachings and values of Jesus Christ on a variety of subjects, many of which affect today s political discourse. Progressives have an image to sell, which is tolerance and acceptance of behavior that is the antithesis of Christianity, whereas Republicans advocate the same conservative values as those of Jesus Christ, which is what this picture book conveys. Contrary to the message from those who do not agree with the Bible, Jesus never would have tolerated a society in which...
