LAROUSSE, 2017. Paperback. Condition: NEUF. Une des grandes difficultés de la langue française réside dans le fait que la relation qui unit la forme orthographique d'un mot à son sens est le plus souvent arbitraire. Pour remédier à cette difficulté, la méthode visuo-sémantique, qui est préconisée dans cet ouvrage, conduit à créer un lien logique entre le sens du mot et ses particularités orthographiques. On va ainsi utiliser des dessins qui illustrent un des sens du mot en soulignant, de façon humoristique, ses particularités orthographiques. Pour aider à mémoriser l'orthographe d'un mot réputé difficile, il suffira dès lors d'évoquer le sens de ce mot et le dessin qui lui correspond. Grâce à l'imagerie mentale, l'orthographe devient un jeu d'enfant ! - Nombre de page(s) : 160 - Poids : 266g - Genre : Cahier Soutien Primaire.
