Citadel Press Inc., U.S., United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Did you know that French women don't date? American women have been missing out on a few secrets when it comes to the opposite sex. French women believe that the gift for attracting men has nothing to do with beauty, work, or even motivation. There are no Rules. And they don't listen to Dr. Phil's advice. They don't worry about the care and feeding of their boyfriend. And they certainly don't travel to Mars to communicate with men. On the contrary, French women's love lives are romantic, sensual, playful, and intense. They conduct their relationships with the same unique sense of originality and artfulness that they choose their clothes and accessories. For the first time ever, Jamie Cat Callan gives readers a personalized, guided tour through the corridors of French love. Discover the secrets to: - Why French women always feel sexy - The French art of flirtation - Why French women walk everywhere and love to be seen - Where French women meet men - What French women do when their man misbehaves Just as we've learned to stop torturing ourselves with fad diets and have relearned the art of eating, this witty, insightful, and candid book strives to show American women how to cultivate and enjoy the pleasures of love, romance, and marriage. Includes delicious recipes for the perfect, amorous meal!
