Rosen Publishing Group,U.S., United States, 2001. Hardback. Book Condition: New. 245 x 171 mm. Language: English . Brand New Book. This unique, twelve-book series provides some of the most cutting-edge information about technology and Internet careers available today. Designed in a readable and dynamic format, this series is a must-read for high-low audiences interested in learning about the future world of e-commerce and the Internet. Clever, up-to-date language helps young people familiarize themselves with Internet-related terms, while colorful photographs illustrate the people and places that have helped create the new Information Highway. Engaging, modern, and thoroughly useful, The Library of E-Commerce and Internet Careers will inspire anyone searching for a technology or business career.While teenagers might be surfing the Web constantly, few understand how the information is channeled into their homes or the business that is centered on this activity. Careers with Internet Service Providers outlines what an ISP is and how one is maintained, and illustrates more abstract ideas in its day-in-the-life chapter about an ISP. Major portals such as Yahoo! and ISPs such as America Online are discussed, as is the influence of new wireless technology.
