

Utopian Communities of Illinois: Heaven on the Prairie (Paperback)

By Randall J Soland

History Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Prairie State became a crucial testing ground for the grand American thought experiment on how a society should be constructed. Between 1839 and 1901, six different utopian communities chose Illinois as the laboratory and sanctuary to elevate their ideals into reality. The Mormons and the Icarians selected Nauvoo. The Janssonists picked Bishop Hill. The Fourierists settled on the north edge of Loami. The employees of the Pullman Railroad Car Company naturally resided in Pullman, and the Dowietes put down roots in Zion. Three were religious and the others secular. All possessed charismatic leaders and dramatic stories that drew attention from across the globe. Randy Soland examines the relationship between these havens and their legacies.

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
