

French Impressions: The Dordogne River: From Source to Sea

By George East

La Puce Publications. Paperback. Book Condition: new. BRAND NEW, French Impressions: The Dordogne River: From Source to Sea, George East, The Dordogne is the most popular French connection for British visitors, holiday - home owners and settlers. The weather, culture and landscape have come to represent an almost stereotypical image of the country and its people. This ancient and magical kingdom even has a great and iconic river of the same name running through it. The Dordogne emerges as a trickle from the slopes of a (hopefully) dead volcano in the Auvergne, then makes its meandering way westwards to where it empties into the sea to the north of Bordeaux. On its nearly 500 kilometre/300mile journey through the heart of France, the Dordogne constantly changes direction, size, shape and mood as it traverses six departments and five regions. In so doing, it also passes through an ever-changing landscape of surprisingly diverse climates, cuisine and even language. It was alongside the Dordogne that the Hundred Years War came to its bloody climax. In the Black Perigord are said to live the finest truffles in all France. Then there's the variety and cornucopia of grapes and their produce, with Bordeaux being the...

Reviews

The book is great and fantastic. It is probably the most remarkable pdf i have got read through. You can expect to like the way the article writer compose this ebook.

-- **Mr. Ethel Schmeler**

It in one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
