

Journal for Star Wisdom: 2015 (Paperback)

Filesize: 6.15 MB

Reviews

Certainly, this is actually the best function by any article writer. It is actually writer in straightforward words and never confusing. Your life period is going to be convert once you total looking over this ebook.

(Mrs. Yolanda Reilly V)

JOURNAL FOR STAR WISDOM: 2015 (PAPERBACK)

SteinerBooks, Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Journal for Star Wisdom 2015 includes articles of interest concerning star wisdom (Astrosophy), as well as a guide to the correspondences between stellar configurations during the life of Christ and those of today. This guide comprises a complete sidereal ephemeris and aspectarian, geocentric and heliocentric, for each day throughout the year. In this year s journal there is an article concerning the relationship between the zodiacal ages and the cultural epochs by Robert Powell, and an article by Estelle Isaacson about the early stages of Christ s Ascension into cosmic dimensions. Claudia McLaren Lainson s article relates events of our time against the background of St Paul s experience of Christ at the gates of Damascus. Richard Tarnas s article, *The Evolving Tradition* , offers important perspectives on the development of astrology in our time. There is also an article by Kevin Dann, which looks at the universal significance of the vortex -- following up on an indication given by Rudolf Steiner. Nick Kollerstrom has contributed an article, *Power of the Sun* , concerning research into a new understanding of our Sun. Two articles by Brian Keats contribute to research into aspects of biodynamic farming in connection with cosmic rhythms. The monthly commentaries for the year 2015 by Claudia McLaren Lainson are supported by monthly astronomical previews provided by Sally Nurney that offer opportunities to observe and experience the stellar configurations physically during 2015.
