Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Essentials of Lettering: A Manual for Students and Designers As there are forms, however, for each branch of drawing which are particularly adapted to it, the subject should be taught to engineers with reference to their chosen branch. The civil engineer, for example, will practice the Modern Roman and the stump letter, as these have become standard letters in map drawing and similar work. The architect, on the other hand, will have no use for the Modern Roman, but should study in detail the Old Roman of both the early and Renaissance periods.
