Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The New Lawn and Parlor Game, America Its Principles and Rules America was first introduced to the public in the latter part of September, 1874, and owing to the lateness of the season, but few games were sold; yet, wherever the game was introduced it was received with great favor, owing, no doubt, to its simplicity and beauty of construction; while its cost is no greater than that of the ordinary Croquet set. Several new lawn games have been presented to the public within the last four years, and nearly all of them have proved failures, because. They were so complicated that it was difficult to learn to play, them, and the cost of the game, so great, but sons could afford to buy a set, Croquet alone, standing the test of time. America is not designed to supplant Croquet. We offer to the public a game highly interesting in itself, combining all the healthful exercise of Croquet; a game which admits of the skill of the best Croquet and Billiard player, and yet so simple, so easy to comprehend, that a child can soon learn how to play it. Not only has the game these advantages, but the additional one, that with the same materials of which the game is constructed, any one desiring, can play Croquet.
