

Etruscan Roman Remains (Paperback)

By Charles Godfrey Leland

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An excerpt of a review from, The Imperial and Asiatic Quarterly Review and Oriental and Colonial Record: The saying of Dionysius of Halicarnassus with reference to the Etruscans, namely that they are unlike any other nation as regards language and customs, still holds good, as far as the language is concerned; Prof. Krall s discovery, however, of an Etruscan linnen book folded round a mummy in an Egyptian tomb, may give reasonable hope that the time is not far distant when important clues to the ultimate decipherment of the language will be available. Old Etruria was a veritable home of augury and divination. Spirits and ghosts played a prominent role in the Etruscan religion. In the liber linteus we frequently meet the word Hinthu -a ghost- which is one of the few Etruscan words that can be translated. (See Krall, die Etruskischen Mumienbinden des Agramer National Museums, 1892.) It is Mr. Leland s merit to have devoted many years of untiring research to the task of throwing light on the old religion and sorcery which is still alive among the peasantry of...
