

My Life on the Mysterious Island of Nanotechnology (Paperback)

By Zvi Yaniv, Debra L Winegarten

Page Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What causes an Israeli born in Romania to immigrate to America and end up with over three hundred patents in his name in the most exciting scientific and technological breakthroughs of the twentieth century? Join the adventures of physicist, inventor, and entrepreneur Zvi Yaniv and see how Jules Verne s book, The Mysterious Island, ignited his imagination and love for science, which, in turn, propelled him to a career in flat panel displays, image digitizers, and molecular engineering. These fields eventually became an integral part of what is known in the common vernacular today as nanotechnology. Do you use an image scanner digitizer? Are you reading this on a flat panel display, on your computer, your iPad, or iPhone? Are you getting information driving on the highways from electronic billboards? Are you watching the news or movies on your giant color TV screen? Follow Zvi s journey and along the way, learn how to unleash your own creativity and innovation. Understand what nanotechnology is all about and its future. This book is about creativity, innovation, and entrepreneurship, using the vehicle of Dr. Yaniv...
