iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Jim Berzchak has a gift. His capabilities in the game of chess are remarkable and his brain works at levels most people only dream about. However, a horrific blunder while playing at the high school state tournament costs his Escanaba Eskimos the team championship. Depressed, he slips into a world of solitude. His life stalls and although he studies chess aggressively and enhances his skills, other aspects to his well being become reclusive. 15 years later a group of high school students coax Jim into reopening the defunct chess program. Through the kids, he finds he has an even better gift, the ability to teach the game and make it exciting. The Eskychess Express is back on track! or so it seems. Issues abound with their newfound success. Personal problems infect the team. Opponents take notice and hone their skills to incomprehensible levels. The pressure of competition makes Jim feel like collapsing. Can he get his life in order and lead his Eskimos over the second place hump? Or will they end up like him, devastated in life because they pinned too many hopes on winning a state championship title?.
