Are the gifts of tongues, prophecy, and healing for today? No, say cessationists. Yes, say Pentecostal and Third Wave Christians. Maybe, say a large sector of open-but-cautious evangelicals. What's the answer? Is there an answer? Are Miraculous Gifts for Today? takes you to the heart of the charismatic controversy. It provides an impartial format for comparing the four main lines of thinking: cessationist, open but cautious, third wave, and Pentecostal/charismatic. The authors present their positions in an interactive setting that allows for critique, clarification, and defense. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. Downloading them into your own understanding takes effort, but the worldwide network that you join is the fellowship of the Spirit!
