I wanna do bad things with you Bonnie Bonnie is in an abusive marriage, and is left penniless when her husband is killed in a tragic accident. In his will, he leaves her not one red cent. Her world is turned upside down forcing her to move in with her overbearing mother who treats her like a child. But things start to change when she meets Shine, gaining a lot more than he bargained for. Shine is a professional thief, a modern day Robin Hood, who steals from the rich and gives to his poor pockets. His life is jilted in another direction when his house is raided by some crooked cops, eager to dig their claws into a piece of his pie. Things spiral out of control when they abuse their power to the fullest and Shine is left in a ditch for dead. When he comes to, he plummets into a deep depression until he decides that he wants nothing more than cold hard revenge. He can t do much without resources but when he meets Bonnie, she gives him everything that she has and more under one condition. She wants in on the action. Together the unlikely kindred spirits become inseparable as they start a torrid love affair and embark on a bloodthirsty hunt in the mean streets of Chicago for justice. But everything comes with a price, the question is, would they be able to afford it together? I don t fear no man but God. Shine.
