

Consciousness: Where Science and Spirituality Meet (Paperback)

By Swami Amar Jyoti

BookBaby, 2015. Paperback. Condition: New. Language: English . Brand New Book. Recordings of the Satsangs of Swami Amar Jyoti were first made available on audiocassette to a small group of devotees in 1974. Until His Mahasamadhi in 2001, each of his Satsangs was recorded live. Over seven hundred recordings are still available on CD and MP3 downloads. Edited versions of these profound and deeply inspiring teachings also have been published for decades in Light of Consciousness-- Journal of Spiritual Awakening. In response to repeated requests that the Satsangs be presented in book form, it is a privilege to launch the Wisdom Library of Swami Amar Jyoti, beginning with Volume 1: Consciousness: Where Science and Spirituality Meet. Gurudeva often spoke of how one day spirituality and science would merge, as scientists and spiritual seekers meet in their quest for what the scientists sometimes call the Unified Field--synonymous with Consciousness, God, Brahman, the Absolute, Eternal, Light, the Divine. Through these Satsangs this ancient wisdom is approachable not only for the scholarly or the adept but for all who come with an open mind and heart.
