

Soul Mining: A Musical Life

By Lanois, Daniel

Faber & Faber, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This book is bursting with memorable anecdotes about [Lanois's] collaborators, another of the debut author's many gifts to fans of rock and country music." Kevin Canfield, San Francisco Chronicle "The master musician and producer offers a typically idiosyncratic take on his life and art . . . Readers will savor the unique character of the producer's unconventional technique, which often employs setting up a jerry-rigged studio with vintage gear in an exotic locale. . . Lanois' book bursts with atmosphere and feeling. He is that rare breed, a lyrical technocrat, and he emerges from the work as one of music's most unusual and charismatic figures. There's really nothing like this oft-rapturous work in the canon of musical memoirs." Kirkus (starred review) "In his humble, self-effacing memoir of growing up poor in Canada, Lanois, born in a small Quebec town, describes the difficulties he faced . . . He discusses specific albums, including U2's The Joshua Tree and the Unforgettable Fire , Dylan's Oh Mercy and Time Out of Mind , and Harris's Wrecking Ball . And that makes this a real treat..
