BOA Editions, Limited, United States, 2010. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. Timeless yet timely and hopeful with a dark underbelly, these fables revive a tradition running from Aesop to W.S. Merwin. With a poet s mastery, Craig Morgan Teicher creates strange worlds populated by animals fated for disaster and the people who interact with them, or simply act like them, including a very sad boy who wishes he had been raised by wolves. There are also a handful of badly behaving gods, a talking tree, and a shape-shifting room.Craig Morgan Teicher is poetry editor of Publishers Weekly and a vice president on the board of the National Book Critics Circle. He lives in Brooklyn, New York. From The Brooklyn Rail: The great challenge of literature is always changing, is as mutable as our striving and forgetful cultures- but always, it is some part of the author s job description to strip away our truisms and describe the gaping unknown. Teicher, in Cradle Book, sits somewhere on the other side, and transmits. From Powell s Books: Instead of the artifical clarity of the carefully orchestrated life evident in so much narrative realism, these pieces seek to explore what we don t understand, to open up questions that lead to more questions.Fables in the truest sense, these exquisite stories offer a sense of wonder even as they lead us deeper and deeper into the darkness of the unconscious.
