Reviews

It is not difficult in read through easier to comprehend. It is packed with knowledge and wisdom You may like just how the article writer write this pdf.

(Kristy Hermann)

SYRACUSE NY IMAGES OF AMERICA

Arcadia Publishing. Paperback. Condition: New. 128 pages. Dimensions: 9.0in. x 6.2in. x 0.6in. As we approach the twenty-first century, many people are seeking to connect with their community's roots in order to better understand their own past and to make thoughtful choices about the future. With Syracuse, readers can explore the architecture, lifestyles, landscapes, and transportation modes of this city from before the Civil War to the mid-1970s. Within these pages, readers come face-to-face with the nineteenth-century citizens who shaped the city; Syracuse University football and lacrosse legends; and individuals like Colonel Homer Wheaton, who became the first soldier from Syracuse to be struck down in World War I, sacrificing his life to save comrades from an exploding grenade. Other intriguing discoveries include a series of views showcasing the lost mansions of James Street, images of the main line New York Central Railroad tracks that ran through the middle of downtown for one hundred years, and scenes of the former salt manufacturing industry which once defined Syracuse as it is still known today-The Salt City. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
