Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In the beginning God. Every living thing on earth today has been born of God in Zion; and has a beginning and ending in this life. What did the earth look like when it was without form and void? Could there have been a first earth age? Was the creation interrupted on the 6th day? A theory is put forth to explain the existence of dinosaurs and the so-called cave man that lived on earth eons ago. After God separated light from darkness, He created the earth as it is today. When God made man, He gave him a perfect spirit and a perfect soul with creative ability; and gave him dominion on earth, with instructions to be fruitful and multiply, subdue the earth and replenish it. God declares, consecrates and establishes all of His children before we are born, and has expectations for our success and prosperity. His Word teaches believers that we can bless ourselves; and He sanctifies and justifies His Own. The spiritual lineage of the New Covenant of Christ Jesus is distinguished from the physical bloodline of the generations before Christ; and the significance of the Davidian Covenant is explained. Because King Jesus sits on the throne of David today, God s anointing makes all believers kings and priests under His authority.
