OWN IT: A PRACTICAL GUIDE TO DEFYING THE ODDS AND CLAIMING YOUR LIFE (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When Adi Redzic left the war-torn Balkans as a teenager in the pursuit of his own American Dream, he faced seemingly insurmountable obstacles: he was a homesick foreigner with English as his second language; he was broke, melancholic, and lonely. Without connections or money, he still found a way to graduate college debt-free, earn a graduate degree, and answer a call of service through entrepreneurship. Own It is a collection of practical lessons written to empower you to take charge of your life and win against all odds. In this book, you will learn: How to find your purpose Discover your passions Get an education AND pay for it Do the work you love Manage your money Written in an honest and direct manner, each lesson is infused by the author's personal experiences and is a testament to the raw, imperfect, messy, and often difficult journey to fulfillment. It is not some fairytale, but stuff that works.
