Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The San Jose Scale in 1896-1897 Alabama - There seems to have been no thorough survey of the State. Three localities have been added by correspondence to those recorded in Bulletin No. 3. There is no mention in that bulletin of the vicinity of Huntsville, but on the authority of a correspondent, and at the last moment before publication, a dot was placed on the map indicating the occurrence of the scale in that vicinity. The entomologist of the State Agricultural Experiment Station at Auburn, Prof. O. F. Baker, how ever, writes to this office under date of February 16, 1898, that the nurseries about Huntsville are clean and in good shape.
