As a young lad, Duncan MacGregor watched his entire family slaughtered by the Frasers. Years later-after being thrust into chieftdom-he struggles to make sense of his duty to his clan. Suppressing his ever-simmering desire for cold-blooded revenge on the Frasers, he tries to outwit them instead of racing into battle. Fiona Buchan was captured nine long years ago by the Frasers and thrust into service. When a fight breaks out in the castle, she escapes with the one and only thought of returning to her family. But a sudden snowstorm and a spooked horse leave her stranded. Barely alive, she collapses in front of Duncan s blackhouse. Thinking she s a Fraser, Duncan grudgingly nurses her back to health. Fiona escapes as soon as possible, only to find herself once again battling the elements. This time, when Duncan saves her, he finds out who she really is, and they decide to face their common enemy together. A daring plunge into icy waters and a death sentence contrive to kill all hope of their survival. Will sheer love and dogged determination be enough to save them? Enjoy this Highland Romance set in medieval Scotland. Join Fiona s struggle to gain her freedom and to save her true love from certain hanging.
