WW Norton Co, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Somini Sengupta emigrated from Calcutta to California as a young child in 1975. Returning thirty years later as the bureau chief for The New York Times, she found a vastly different country: one defined as much by aspiration and possibility-at least by the illusion of possibility-as it is by the structures of sex and caste. The End of Karma is an exploration of this new India through the lens of young people from different worlds: a woman who becomes a Maoist rebel; a brother charged for the murder of his sister who had married the wrong man; and a woman who opposes her family and hopes to become a police officer. Driven by aspiration-and thwarted at every step by state and society-they are making new demands on India s democracy for equality of opportunity, dignity for girls, and civil liberties. Sengupta spotlights these stories of ordinary men and women, weaving together a groundbreaking portrait of a country in turmoil.
