Brand New Book ***** Print on Demand *****.Excerpt from The Theory and Practice of Handwriting: A Practical Manual for the Guidance of School Boards, Teachers, and Students of the Art With Diagrams and Illustrations The distinguished professor of Anatomy in the University of Vienna, Dr. Toldt, has declared that The question of Instruction in Writing should occupy the first place, as the teaching of that subject is attended with so great danger to Spinal curvature, Breathing and digestive Disturbances, Myopia or Shortsight. And the no less distinguished oculist, Professor Dr. Hermann Cohn, has publicly stated that Vertical writing is the writing of the future Realising the force of these official statements the Author has the more confidence in submitting to the Profession and Public a manual the chief object of which is to afford information on all the vital and important questions that modern research in the Art and Science of Handwriting has brought to the front. Hitherto Calligraphy has been considered exclusively as an art (witness the works and specimens of plain and ornamental penmanship extant up to a most recent date) but..
